Sheet Applied Membrane

Product		
Name	Product description	Applications
ARDEX Butynol	Synthetic butyl rubber membrane	Use for all exposed roof, external balconies and decks (protected) gutter linings, water containment (i.e pillow tanks, reservoirs, pond liners).
ARDEXWPM 615 (TPO)	Thermoplastic polyolefin roofing (TPO) membrane	Typical applications for ARDEX TPO are roofing membranes; green roofs and metal roofs.
ARDEX WPM 185	Torch applied mineral coated membrane	Used as a cap layer in exposed membrane systems.
ARDEX WPM 160	Torch applied sand coated membrane	Used as a single layer or multi-layer membrane in horizontal or vertical application, for waterproofing balconies, terraces and roofs.
ARDEX WPM 3000X	Cold applied self-adhesive SBS	Below-ground applications, retaining walls, balconies.

Liquid Applied Membrane

Product		
Name	Product description	Applications
ARDEX WPM 002	Superflex two component waterproofing membrane	Internal or external wet areas balcony, decks and other areas to be tiled over.
ARDEX WPM 108	Single component undertile waterproof membrane for wet area	Bathroom and wet areas that will be tiled or otherwise protected from regular foot traffic in residential, commercial environment.
ARDEX WPM 109	Highly flexible cement based waterproof coating	Water tanks, swimming pools and pool decks, corrosion protection for reinforcing steel, internal wet areas, water features and ponds, deck and Balcony
ARDEX WPM 172	Rapid cure rubber waterproofing membrane	Below ground tanking, basements and retaining walls and bridge decks, planter boxes and balconies.
ARDEX WPM 179	Single component rubber waterproof membrane	Used for patch repaired membrane for ARDEX WPM172.
ARDEX WPM 300	Damp proof, waterproof membrane	As waterproofing and vapour barriers on the negative side in below grade surfaces such as basements, ground floor slabs, retaining walls, car parks and swimming pool.
ARDEX WPM 317	General purpose façade membrane and roof membrane	As a decorative texture finished waterproofing of external façade and roofs.
ARDEX WPM 322	Waterproof membrane for retaining wall	Below ground tanking, planter boxes and retaining walls.
ARDEX WPM 335	Semi permeable anti-carbonation façade membrane	Building facades & external walls, roof parapets, silos, lighthouse & coastal areas.
ARDEX WPM 345	Roof and deck micro-fiber reinforced waterproofing membrane	External decks & floors, rooftops podiums and parapets.
ARDEX WPM 359	High wearing acrylic protective coating and clear sealer	Use over ARDEX Roof and Deck membranes in exposed medium foot traffic.
ARDEX WPM 418	Spray-Applied Rapid Cure Polyurea System	Flat roof, landscape decks, podium, roof terrace, carpark deck cut & cover tunnels
ARDEX WPM 426	Intermediate Waterproofing Wearing Traffic Deck Coating	Commercial car parks, turning areas & ramps, balconies, walkways, stadium, Helipads, roof decks, parking garages, plant rooms, industrial floors
ARDEX WPM 429	Two Components UV Stable Polyurethane Traffic Deck Waterproofing Topcoat	Commercial car parks, turning areas & ramps, balconies, walkways, stadium, Helipads, roof decks, parking garages, plant rooms, industrial floors, cold storage & food preparation areas
ARDEX WPM 908	Water based acrylic trafficable membrane	Pedestrian traffic podiums, terraces, balconies, roof decks, plant room floors, swimming pools surrounds, trafficable box gutters, steps, pathways and patios.

Waterproofing Admixture

Product		
Name	Product description	Applications
ARDEX WPM 415	Crystalline waterproofing slurry	Use on residential, commercial applications for floors & walls, basements, retaining walls, elevator pits and subway stations.
ARDEX WPM 422	Crystalline admix solution	Reservoirs, sewage and water treatment plants, tunnels and subways systems, underground vaults, foundations, parking structures, swimming pools and pre-cast components.

Bituminous Primer

Product		
Name	Product description	Applications
ARDEX WPM 240	Solvent base primer for bituminous membrane	Applied on balcony landscape decks and roof.
