

# GOOGLE OFFICE

Bangkok, Thailand

SYSTEMARDEX  
PREMIUM PERFORMANCE

**Architect:**  
Hassel Australia

**Installer / Applicator:**  
Pandomo Bangkok

**Featured Products:**  
Pandomo Floor (K1) and  
Pandomo Wall (W1)

This 2014 newly built Google office in Bangkok is truly a fun and idealistic place with mural and decorations expressing local personality. A place where every employee a hand-on contributor will feels comfortable sharing ideas and opinion. In this project the floor and wall was equipped with Pandomo floor and wall. All in all, 200m<sup>2</sup> of Floor and 200m<sup>2</sup> of wall are applied by Pandomo Bangkok in 2 weeks.
