

Markt 25
5431 Kuchl

Type of object: Public / Sacral building
Segment: New building
Product group: panDOMO® TerrazzoMicro

On April 5th, 2014 the new Community Centre in Kuchl was officially opened. This new building is very populated by the citizens. In only 16 months the € 4.9 million solid wood community centre was planned and established. A beige panDOMO® TerrazzoMicro was installed in the spacious rooms, which now provide the required space and perfect atmosphere for various events and ceremonies.
