

COMPREHENSIVE WATERPROOFING AND TILING SYSTEMS

FOR ULTIMATE PROTECTION AND GUARANTEE SYSTEM

Tile Adhesive

ARDEX X 685

Fast Setting Large Format Tile Adhesive

Usage
Fast curing bonding mortar for non-sag wall and floor installation

ARDEX X 18

Fibre Reinforced Flexible Non Slump Wall & Floor Tile Adhesive

Usage
Fibre reinforced, non-s slump tile adhesive for large format and heavy floor and wall tiles

ARDEX E 90

Admix For Cement Based Tile Adhesives

Usage
A special synthetic dispersion for use in conjunction with ARDEX cement-based adhesives, such as ARDEX X 18 and ARDEX X 77

Surface Preparation

QUICSEAL 607

Easi-Bond SBR

Usage
Improve the cohesion and adhesion strength of screeds and renders/plasters

Waterproofing Fabric

ARDEX STB Tape

Self Adhesive Butynol Sealing Tape

Usage
Provides a waterproofing seal between the surface joints and between the floor and wall, seals the drainage pipe outlets in wet areas

Waterproofing Coating

QUICSEAL 124

Quickote

Usage
Ready-to-use quick-drying under-tile waterproofing membrane

QUICSEAL 104

Flexible Cementitious Waterproofing Membrane

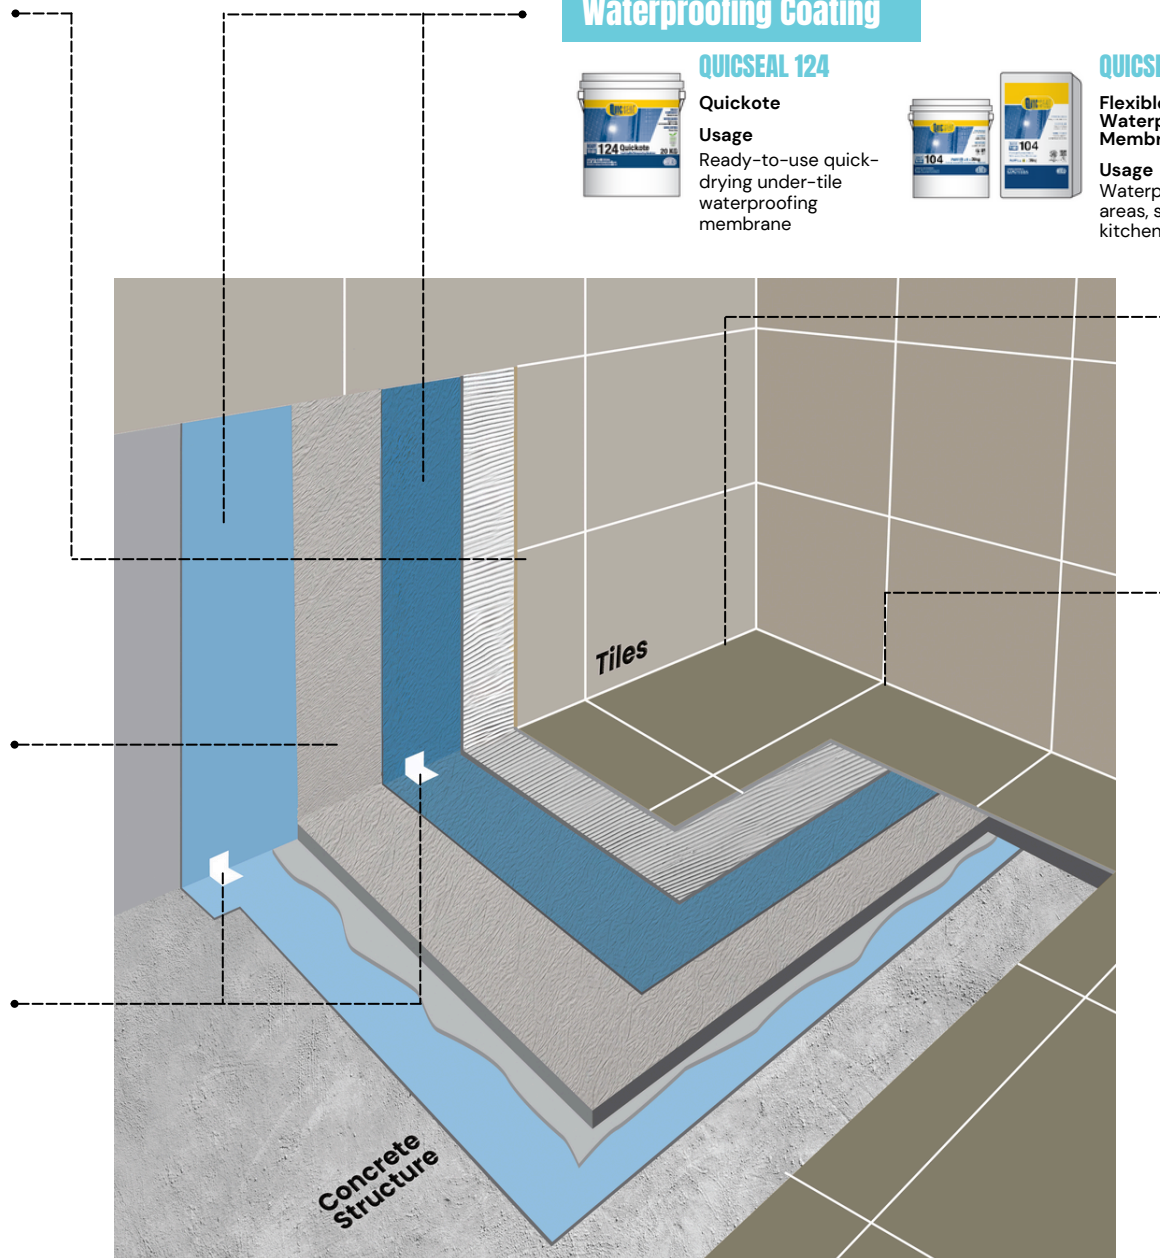

Usage
Waterproofing of wet areas, swimming pools, kitchens

ARDEX SK 100 W

Sealing Membrane

Usage
Suitable for indoor and outdoor use, for walls and floors. Tiles can be installed directly onto ARDEX SK 100W

Sealant

ARDEX SN+

Neutral Cure Sanitary Silicone Sealant

Usage
Flexible sealant for use in tile movement and connecting joints

Tile Grout

ARDEX FG 8

Flexible, Coloured Grout

Usage
Used for tile joints up to 8mm wide on walls and floors

ARDEX F 4

Unsanded Wall & Floor Coloured Grout

Usage
A cement-based fine, smooth grouting compound for ceramic wall tiles and mosaics where the joint width does not exceed 4mm

ARDEX Grout Booster

Water-Based Polymer Grout Improver

Usage
Improves adhesion, flexibility to reduce cracking and abrasion strength to avoid powdery grout
